Research and Development Policy

The MIC College Technology which was established in 2002 has been active in research activities since its inception. The teaching faculty members of various departments have been actively involved in various R&D activities. Most of the senior professors have doctorate qualifications. Many new faculty members have also been conferred upon PhD degrees from the universities of National repute. This Galaxy of professors not only do R&D activities throughout the year but all the same they guide PhD and MTech scholars, conduct training for the new aspiring faculty members, develop the projects and apply the patents, publish various research papers, conduct national and International conferences, etc. Our professors also visit to the different institute for fostering the techniques of research methods in different institutes. MIC has given an open opportunity to all the professors to attend international conferences around the world.

MIC College of Technolgy believes in a judicious combination of teaching and research for the benefit of the student community at large. The Institution envisages innovation and technological development through its R & D cell. It has plans to cultivate academic and research collaborations with national and international universities, government agencies, and industries to meet the immediate and long-term needs of society and the industry. The Institution also remains committed to long-term research as the foundation for future development.

Vision

To nurture transformative education for creating leaders and innovators, and generate new knowledge for society and industry. We are also committed to accelerating solutions to local and global problems.

Mission

- To generate, disseminate, and preserve knowledge to solve economic, social, and technological problems.
- To create a culture in which new ideas, innovations, and research flourish, and develop leaders and innovators of tomorrow.
- To conduct cutting-edge, high-impact research, generate new knowledge, and disseminate this knowledge through publications in top journals.

DVR & Dr. HS
MIC College of Technology

ISO 9001:2015 Certified Institute
(Approved by AICTE & Permanently Affiliated to JNTUK, Kakinada)
Kanchikacherla - 521180, NTR Dist, A.P, India.
Phones: 08678 - 273535 / 94914 57799 / 73826 16824
E mail: office@micttech.ac.in, Website: www.micttech.edu.in

- To apply deep knowledge to create know-how for utilization by industry and society.

Objectives

- To nurture creative thinking.
- To imbibe a culture of scientific integrity and research
- To assist faculty members with research methodologies and urge/ motivate them to consistently publish their research
- To encourage faculty members to initiate research projects/summer projects/internships with students, to publish their research work, to signify the importance of their project work, to stimulate creative thinking, motivate innovation, demonstrate, and assimilate a practical or applied approach to
- To promote interdisciplinary research
- To encourage faculty members who seek higher education, with special guidance to enable them to register and attain a D. degree from the University of repute.
- To organize/coordinate training programs on advanced and latest topics or subjects to keep faculty members updated and informed on emerging.
- To provide national and international exposure to students with conferences as a platform to enhance their ideas.
- To inspire unconventional, economical, industry-related, and application-oriented projects for students.
- Enable faculty members and students to transform the knowledge into research by adding incremental improvement to develop products to improve the lifestyle of people.
- Promote the research potential of faculty members with their innovative ideas.
- Generation of patents and IPRs.
- Ethics Committee to Check Malpractices and Plagiarism in Research

Goals

We aim to frame regulations and systematize procedures to establish the scope for innovative research, promote the scientific interests of the students and faculty members, and strive to achieve national and international collaborative research grants and toil to achieve distinguished recognition of the university in the field of research and development. We focus on achieving meritorious rank on national and international levels in the field of research and development.

- To initiate/stimulate research
- To ensure good quality
- To motivate and facilitate project submission to various funding
- To grow consultancy

DVR & Dr. HS
MIC College of Technology

ISO 9001:2015 Certified Institute
(Approved by AICTE & Permanently Affiliated to JNTUK, Kakinada)
Kanchikacherla - 521180, NTR Dist, A.P, India.

E mail: office@mictech.ac.in, Website: www.mictech.edu.in

- To encourage to file useful patents for technology transfer to industries.
- To generate revenue by offering R&D expertise and services to academia and
- To generate revenue from commercialization in the IT field.

College R&D Cell:

The R & D cell comprises faculty members from various departments in the Institution. This committee oversees the smooth and efficient coordination of research and development activities in the Institution, thus fostering overall growth. The members will contribute to enhancing research and development at the Sagar Institute of Research and Technology.

- The R & D Committee will plan, promote, and evaluate R&D activities like funded R&D projects and consultancy projects at the Institution level.
- The members meet quarterly to discuss the status of ongoing projects, set targets for every year and devise plans to achieve the targets.
- The R&D cell measures the attainment of achievements and recommends the performer for appreciation.

Expected Outcomes of R&D Cell

- Enhanced number of research proposals, quality publications and patents
- Enhanced interaction with R&D organizations and institutes
- Improved quality of UG and PG project
- Awareness in students about recent advances and developments in science, engineering and technology
- Enhanced involvement of faculty and students to solve industrial and societal problems
- Enhanced participation of students in national and international innovation activities like India Innovation Challenge Design Contest, NES Innovation Awards, Gandhian Young Technological Innovation (GYTI)-SRISTI etc

Action Plan for Achieving Outcomes

- Monitoring and guiding faculty to obtain research grant from various funding agencies viz. DST/AICTE/UGC/CSIR etc.
- Formulate policies for encouragement of R&D culture in the institute
- Lesioning with R&D organization/institute and establish MOU with them
- Guidance and support to faculty / students for getting quality publication and patents
- R&D cell is supported by department Heads and department coordinators

- Active research groups in all departments and organizing various research promotion activities through research groups
- Organization expert sessions on project selection and execution, writing proposals, writing research papers and drafting patents

TEAM: RESEARCH AND DEVELOPMENT CELL

S.No.	Faculty Name	Designation	Department
1.	Dr. T. Vamsee Kiran	Principal	EEE
2.	Dr. S. Surendarnath	Associate Professor	MECH
3.	Dr. G. Sai Chaitanya Kumar	Associate Professor	CSE
4.	Dr. G. Ashok Vardhan	Associate Professor	BED
5.	Dr. B. Karunakara Rao	Associate Professor	EEE
6.	Dr. B. Pragathi	Associate Professor	ECE
7.	Mr. S. Ashok Kumar	Associate Professor	CIVIL
8.	Ms. R. Vijaya	Associate Professor	AI & IT
9.	Mr. C M Vijay Kiran	Assistant Professor	MBA

Funded Projects and Consultancy Work:

The general guidelines for faculty engaging in research, development and consultancy are as follows:

Basic Guidelines:

Every research proposal shall pass through a multi-tier review, where the proposal shall first be reviewed by the Principal Investigator/ Co-Investigator and then by the concerned Head of the Department/experts in the department. This may be followed by a review by eminent researchers in the field. The proposal shall then be vetted by the R&D committee before submission to the funding agency.

1. All applications related to R&D shall be routed through the Director along with one hard copy for R&D records. A soft copy shall also be emailed to the R&D coordinator, department R&D cell and to the Head of the Department.
2. Separate stock registers shall be maintained for the entire R&D projects, granted from the externally funded projects in every department.
3. Purchase of equipment, software and submission of the audit report thereof shall follow the Finance officer's guidelines.
4. The entire sanctioned amount shall be utilized as per the guidelines of the funding agency.

E mail: office@micttech.ac.in, Website: www.micttech.edu.in

-
5. In case the Principal Investigator leaves the Institution, all the items purchased shall remain as an asset of the Institution.

Patents:

Receiving a patent for one's research work is one of the most important factors denoting the quality of research. Full financial and legal assistance shall be provided to those who are interested in registering for the patent. The patent shall irrevocably be registered in the name of the Institution with the researcher's name prominently featuring as the inventor. The commercial aspects shall be mutually worked out between the Institution and the researcher. If the patent is filed by Institution, then 100% of expenses are borne by the Institution.

Academic Research Policy:

1. Faculty of each department shall conduct research in focus areas.
2. Faculty publication in either WEB OF SCIENCE or SCOPUS indexed journals are appreciated at the institute level.
3. Individual Citation Score needs to be improved by publishing in reputed journals.
4. All publications and research papers of faculty must go through a plagiarism check.
5. Term papers of B.E/ B. Tech and M.Tech./ MBA projects shall be research-focused.

Incentive policy:

1. The faculty members who received sponsored research projects from government funding agencies are eligible for incentives in terms of increment.
2. Faculty members or students presenting a research paper in any conference of repute may claim registration fees. Institute provides the complete amount of registration fees to the concerned person.
3. Faculty members who published SCI papers/books as first author / corresponding authors with institute affiliation will be awarded incentives in terms of increment.
4. The faculty members are provided with OD for attending conference/FDP/workshop.
5. For filing a patent or copyright, filing fees will be paid by the institute

R&D Hierarchy

Roles and Responsibilities of R & D Cell

The Role of R & D Cell:

1. To enhance the Research Ecosystem of the college
2. To promote Academic Research in the college with Faculty and students
3. To preserve the Code of ethics of the college while publishing
4. To help the faculty in applying for funds in the form of Sponsored research / Grants from government and non government agencies
5. To pave path for the teachers, students and researchers to collaborate for research

Responsibilities of R & D Cell:

1. To help faculty, researchers and students to
2. Know research methodology
3. Methodology to develop projects
4. Process of converting projects into prototype and in turn into products
5. Enhancing their knowledge on Intellectual property rights and Patents
6. Preserve code of ethics while publishing papers / thesis
7. Conduct skill development courses that enhancing the capability of students and faculty

Guidelines of Research Advisory Board Committee

1. Selection Criteria for Research Advisory Board Member

Boards are selected to create a balanced working group based on experience level, industry sector, geographic location and area of expertise. Considerations for selection include:

- Long-term or widely recognized excellence in academia or practice.
 - Professional experience and knowledge of privacy and data protection laws, regulations, policies, procedures, best practices and theory.
2. Duties & Responsibilities

The Committee will:

1. Undertake timely, extensive review of projects from time to time
2. Establish policies and guidelines as deemed fit for pursuing research
3. Establish the grant application document
4. Participate in meetings/teleconferences as called by the Chair/Support Chair;
5. Submit feedbacks and updates to the Chair/Support Chair.
6. Sanction project proposals for Seed funding

The Chairperson will:

1. Chair the meetings and delegate responsibilities;
2. Review the agenda and minutes for each meeting;
3. provide written feedback to funding recommendations submitted by students and Faculty
4. Report to the Board via the R & D cell in charge on the final research priorities to support e. the supporting chair will step in to the role of the chair should the chair refuse or unable to full-fill duties effectively and in the same token, the chair may assign another support chair should the support chair be inefficient.

Members of the Committee:

A Senior Professor who will chair the committee co chaired with two professors who are expertise in the research and Development

Incentives for Publications

In order to motivate the faculty members towards research and publishing their research findings in reputed journals with impact factor, incentives are given to faculty members.

Research Publications	Incentive Amount (Rs)
SCI Journals	10,000
SCOPUS Journals	5,000
WOS Journals	3,000

DVR & Dr. HS

Minutes of the Meeting

Date of the Meeting: 23rd Feb 2023

Agenda:

1. Conduction of Workshop
2. Guest Lecturers/Webinars/Workshops for Students
3. Conduction of Aagama-2023
4. Proposals to conduct National/International Conference
5. Faculty Publications

Points of Discussion:

1. We have to conduct a Workshop on Emerging Areas.
2. Faculty members are advised to come out with proposals for conducting Guest Lectures, Webinars, Workshops and FDPs for Students and Students.
3. We have to conduct 'Aagama-23' a state-level Paper Presentation, Poster Presentation, and Project Expo Contest on 10/03/2023.
5. Faculty members are advised to conduct National/International Conference.
6. Faculty members are advised to publish a paper in each of the Semesters in reputed Journals i.e., UGC CARE journals, Scopus, SCI/SCIE, and WOS indexed journals.

Minutes of the Meeting

Date of the Meeting: 19th November 2022

Agenda:

1. Collection of Faculty Research Activities Data
2. NPTEL Course Registration
3. Guest Lecturers/Webinars/Workshops for Students
4. Conduction of a meeting with Research Scholars from all the departments
5. Proposals to conduct National/International Conference
6. Faculty Publications

Points of Discussion:

1. The first point on the agenda was taken up for discussion and it was decided that all the Staff should submit details of research activities like journal publication, workshop, webinar and other activities by filling out the CRDC Google form by the 6th of every month.
2. Faculty members are advised to Register at least one NPTEL Course, in an academic year.
3. Faculty members are advised to come out with proposals for conducting Guest Lectures, Webinars, Workshops and FDPs for Students and Students.
4. As per the Instruction given by the Principal sir, it is decided to plan a meeting with Research Scholars from all the departments for improvement of their research.
5. Faculty members are advised to conduct National/International Conference.
6. Faculty members are advised to publish a paper in each of the Semesters in reputed Journals i.e., UGC CARE journals, Scopus, SCI/SCIE, and WOS indexed journals.
