

## **SENSITIZATION OF STUDENTS AND EMPLOYEES OF THE INSTITUTION TO THE CONSTITUTIONAL OBLIGATIONS: VALUES, RIGHTS, DUTIES AND RESPONSIBILITIES OF CITIZENS**

The institute has acknowledged the significance of instilling constitutional duties, rights, and responsibilities in both employees and students. The college has taken the initiative to require its students to take a course on the Indian Constitution.

The institution runs a variety of programs to educate employees and students about their constitutional duties as well as their rights, duties, and responsibilities as citizens. The pandemic made individuals more conscious of the value of life. Social cause brochures were created and uploaded to social media as a first step. Information and warnings on the corona virus are disseminated across the college and posted at all key areas. In addition to providing its students with a strong academic foundation, the Institute aspires to instill in them a respect for their constitutional duties. In order to honor democratic rights as part of this, the Institute observes Samvidhan Divas, commonly known as Constitution Day, on November 26 of each year.

As part of their academic program, students are expected to take classes on subjects like the Indian Constitution, professional ethics, and human values. The rights, duties, and responsibilities that come with being a citizen are made clear to students who take the Constitution of India as a course. The Professional Ethics and Human Values course addresses both personal and professional ethics and values, both of which must be attained by a person in order to develop into a responsible citizen.

The college emphasizes the education with a human touch which covers all aspects of their lives:

- Describe the historical context for the creation of the constitution and its significance for establishing a democratic India.
- Compare how the executive, legislative, and judicial branches of government all operate.
- Interpret the importance of the fundamental obligations and rights to help you become a decent Indian citizen.
- Compare the degree to which municipal, state, and federal governments are decentralized.

## 2. International Yoga Day 21-06-2018

**International Day of Yoga** or commonly and unofficially referred to as **Yoga Day**, is celebrated annually on 21 June since its inception in 2015. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA).

Yoga is a physical, mental and spiritual practice attributed mostly to India. The Indian Prime Minister Narendra Modi in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares special significance in many parts of the world.

The Ministry of AYUSH, Govt. of India has sent Common Yoga Protocol to be followed on the occasion of International Yoga Day by all the people of educational institutions, Govt. Offices, NGOs etc.

The college NSS unit has organized the International Yoga Day for 200 NSS volunteers on 21st June 2018 in the college. The common yoga protocol was taught by Ms. Asha Jyothi , Assistant physical director for 45mins. The session included the loosening practices, yogasanas , pranayama and dhyana. He taught the asanas and also explained the importance of these asanas in improving the health of individuals.

The programme was inaugurated by college Principal Dr. Y. Sudheer Babu and the programme was headed by NSS Programme Officer Dr. G. Rajesh. During the inaugural session the Principal shared his experience of his own health problem NSS volunteers for motivation and also explained how the yoga has helped to overcome the health problem. The common yoga protocol material was distributed to all the volunteers and they were instructed to follow every day at their homes.
