 Verified Certificate

A Verified Certificate from Teachnook can provide a proof for a student or other institution, an employer or other institution, that you have successfully completed an online course

CERTIFICATE OF INTERNSHIP COMPLETION

AKULA VIVEK SAI

has successfully completed internship program on Embedded systems
from Psiborg Technologies in associated with Teachnook from 11/01/2022 to 31/12/2022

During this internship, the student has found to be keen and enthusiastic Candidate.

Certificate ID : TNINTC22-061

Date : 06-01-2023

Academic Head

HR-Manager

 Verified Certificate

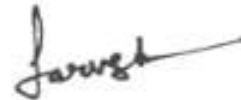

A Verified Certificate from Teachnook can provide a proof for a student or other institution, an employer or other institution, that you have successfully completed an online course

Certificate of Training

Essak Chintaguntla

has successfully completed a 6-week online training on **AutoCAD**. The training consisted of Interface, Drawing Aids & Basic Objects, Complex Objects & Object editing, Blocks & Annotations, Plotting & Introduction to 3D, and The Final Project modules.

Essak scored 95% marks in the final assessment and is a top performer in the training.
We wish Essak all the best for future endeavours.

Sarvesh Agarwal

TO WHOM IT MAY CONCERN

This is to certify that Ms. Dabburi Swapna from Dvr & Dr. Hs Mic College Of Technology has undergone and completed her Internship Program in "Embedded Systems-STM32 (ARM)" from 4th July, 2022 to 14th August, 2022.

During this period, exposure has been given on various technical activities around "Embedded Systems-STM32 (ARM)" technology at Tevatron Technologies Pvt. Ltd.

We found her extremely inquisitive & hardworking. She was very much interested to learn the function of our core division & also willing to put her extra effort to get into the depth of the subject in order to understand it better. Her overall performance has been rated very Good & we would like to wish her for future endeavors.

TO WHOM IT MAY CONCERN

This is to certify that Ms. T. Rohini Chowdhary from Dvr & Dr. Hs Mic College Of Technology has undergone and completed her Training & Internship Program in "Internet Of Things" from 4th July, 2022 to 28th August, 2022.

During this period, exposure has been given on various technical activities around "Internet Of Things" technology at Tevatron Technologies Pvt. Ltd. She has successfully done a project on "Smart Parking System."

We found her extremely inquisitive & hardworking. She was very much interested to learn the function of our core division & also willing to put her extra effort to get into the depth of the subject in order to understand it better. Her overall performance has been rated very Good & we would like to wish her for future endeavors.
