- a) An amount of Rs. 500/- towards library deposit and an amount of Rs. 500/- towards laboratory deposit (totaling into Rs. 1000/-) by way of refundable caution deposits at the time of admission only as onetime payment.

3) The following directions are also given to the Institutions / Colleges:-

- a) The institutions/colleges shall collect the Annual Tuition Fee every year in advance only for that particular year either in a lump sum or in installments, if it so opts.
- b) The institutions shall not charge any capitation fee or any amount unauthorisedly or illegally under any other head or guise (e.g., donation etc.), either directly or indirectly, other than the fee fixed by the Committee, as collection of any such unauthorized amounts would amount to charging of Capitation Fee, and that the surplus (profit) that is generated from the collection of the Fee must be for the benefit of the institutions, and cannot be diverted for other purposes or for personal gain.
- c) The institutions are informed that the fixation of Fee Structure by the Committee will not by itself enable or permit the managements to run the relevant courses in their institutions because, if the courses are otherwise not recognized and not permitted by the Government or All India Council for Technical Education/Concerned University at any relevant time, the same cannot be done.
- d) The fee, now recommended by the AFRC for the block period 2016-17 to 2018-19, is based on the details/figures uploaded by the institutions on line and is subject to further physical verification. If it is found that any of the data given by the institutions is not correct, the fee shall be revised at a later date and these facts shall be informed to the University concerned and All India Council for Technical Education for taking necessary action in accordance with law. Besides, such institutions/colleges including the persons responsible are also liable for penal consequences.
