REPORT

Remedial Classes are conducted in our institution for Average and Below Average students to assist them to achieve expected competencies in core academicskills in the subject. Summary of these classes organized by basic engineering department is as follows.

Program type: Remedial Classes

Schedule:

Class: B. Tech I-Year (II SEM)

Objectives:

- To boost up the confidence of slow learner students and to realize their weakness.
- To enhance the skills in respect of learning process.
- To remove the scare about study.
- To make the equal level of slow learner and advance learner.
- To motivate for an innovative and creative mindset.
- To organize the workshop/seminar/guidance program for slow learner.
- Help to understand paper pattern, question pattern, etc.

Methodology to Implement the Remedial Class:

Teachers identify the slow learner in regular classes and make the list of them.

During the classes, teacher observed the students' progress by performing following activity:

- Asking oral question in class.
- To conduct the test exam in the class.
- By giving assignment.
- Arranging seminars, if necessary
