1.	<b>International Yoga Day</b>	<b>Open air, Department of Mechanical Engineering</b>	<b>21-06-2018</b>
----	-----------------------------------	---	-------------------

**International Day of Yoga** or commonly and unofficially referred to as **Yoga Day**, is celebrated annually on 21 June since its inception in 2015. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA).

Yoga is a physical, mental and spiritual practice attributed mostly to India. The Indian Prime Minister Narendra Modi in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares special significance in many parts of the world.

The Ministry of AYUSH, Govt. of India has sent Common Yoga Protocol to be followed on the occasion of International Yoga Day by all the people of educational institutions, Govt. Offices, NGOs etc.

The college NSS unit has organized the International Yoga Day for 200 NSS volunteers on 21<sup>st</sup> June 2018 in the college. The common yoga protocol was taught by Ms. Asha Jyothi, Assistant physical director for 45mins. The session included the loosening practices, yogasanas, pranayama and dhyana. He taught the asanas and also explained the importance of these asanas in improving the health of individuals.

The programme was inaugurated by college Principal Dr. Y.Sudheer Babu and the programme was headed by NSS Programme Officer Dr. G.Rajesh. During the inaugural session the Principal shared his experience of his own health problem NSS volunteers for motivation and also explained how the yoga has helped to overcome the health problem. The common yoga protocol material was distributed to all the volunteers and they were instructed to follow every day at their homes.
