You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 16% of basic salary, towards the scheme selected by the member. In case 16% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. In case you miss enrolling into VSS in this window period, you can do the same in the window period that is available for all employees once every financial year.

You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite

& transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. 2. Voluntary Superannuation Policy (VSS)

Wipro Voluntary Superannuation Plan offers an easy and convenient way to help you lead a happy and tension free life by planning your retirement. Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds, LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources -> India -> My Financials -> Deferred Benefits -> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro -> My data -> My Financials -> Pension, and exercise the option within 30 days of joining the Company. In case you miss enrolling into VSS in this window period, you can do the same in the window period that is available for all employees once every financial year.

Dear Venkateswarlu:

Congratulations on your admission as a classified graduate student to Southern Illinois University Edwardsville! You should be extremely proud of your academic accomplishments, and I am pleased to welcome you to the SIUE community for Spring 2023.

Now that you are admitted to SIUE, I want to help ensure you have a successful transition. Enclosed is your Departmental Decision Form, which may include any conditions pertinent to your admission. Please contact your graduate program director/advisor as soon as possible to discuss and finalize your enrollment. If you are currently attending an institution other than SIUE, your official degree-bearing transcript should be sent directly from the degree-granting institution electronically to siueapps@siue.edu or by mail:

SIUE Office of Graduate Admissions
Campus Box
Edwardsville, IL 62026-1047

Your transcript must clearly state the degree you were awarded. A hold may be placed on your account and prevent you from registering for the next term if we are unable to verify receipt of your bachelor's degree.

You can now activate your student ID and e-ID, which provides you with access to many services at SIUE. Use the enclosed instruction sheet to activate your e-ID.

I encourage you to visit Blackboard (bb.siue.edu) and browse through the Graduate Students tab of *SIUE 101* for tools to help you succeed in completing your degree. You will find information about parking, registration, childcare, graduate assistantship opportunities, the online graduate catalog and more.

Congratulations again on your admission to graduate school. Remember to check your SIUE email regularly, as all correspondence will be sent there. If you have questions, please feel free to call the Graduate School at 618-650-3010 or visit us in Rendleman Hall, Room 2202. You can also connect with us on Twitter and LinkedIn. I hope you are as excited as we are to have you join the SIUE community.

Sincerely,

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. LETTER OF RECOMMENDATION

I am pleased to write this letter in support of Mr. Kola Harshavardhan, who has been one of my students during his Bachelor of Technology degree at the Department of Electrical & Electronics Engineering, DVR & DR.HIMASEKHAR MIC College of Technology. I have known him since November 2017 to date.

During his stay at College, I found him one of the best students I dealt with. I have watched him growing and see his talents and abilities not only in the classroom but outside its walls, when interacting with all types of people, as well. He is diligent, aggressive, and a self-starter. He has a very inquisitive mind and does not wait to be told to investigate or analyze problems; he has the ability to recognize and initiate what needs to be done. Furthermore, he can actively engage in numerous challenging tasks concurrently without compromising the work quality. One of his matchless talents is the ability to grasp technically strenuous material on his own and come up with genuine and striking ideas. Due to his creative mind and inherent hard-working nature, expected to achieve genuine development in any Educational/professional/industrial environment.

I believe that would be an excellent addition to any institution. I hope you will also find his attributes and potential attractive and I hope that you will favourably consider his application in your prestigious institution.

Feel free to contact the undersigned, in case of any query.

LETTER OF RECOMMENDATION

It gives me immense pleasure in bearing testimony to the excellent character and conduct of **Ms. DURGA MALLESWARI MIRIYALA** who is interested in pursuing her academic career in your esteemed university. I only recommend students whom I feel are well suited for the program of their choice. She has been under my tutelage for the past two years. Over these years I have taught her "POWER SYSTEMS 2".

Through my observation, I would like to say that she is attentive, articulate and studious. Her ability to visualize and link together the fundamentals of each subject makes her an ideal student. Considering her tenacious, technical ambitions and her ability, I have great confidence that Durga would occupy the apex position in the field of her interest.

She has excellent intellectual and experimental abilities from the beginning. During my interactions with her, she always amazes me with her in depth knowledge and her innate ability to grasp. Her intellectual potential and sheer hard work are worthy of mention. She showed a great deal of interest in widening her knowledge by closely interacting with the faculty and actively involving and participating in various extracurricular activities. Her leadership and organizing capabilities were proved when She was successful in conducting a project in her last semester.

In my view of above that a person of her caliber can excel in the stimulating and challenging environment of graduate research. I am certain with her dedication and motivation **Ms. DURGA MALLESWARI MIRIYALA** will turn into an outstanding graduate student. Hence I strongly recommend her for the MS program in your esteemed university. I wish her all the best and in case of any further queries feel free to contact me at my mail id mentioned above.

LETTER OF RECOMMENDATION

I feel very much honored recommending Mr. GOPI NAYAK PALATRYA to your esteemed institution. He had a good rapport with the faculty during his internship with the department in his undergraduate program. He is extremely diligent and accomplished a consistent academic record. I taught him "ELECTRICAL MEASUREMENTS" courses. I had observed him to be motivated and good in practical session.

His keen interest toward the subject and the proactivity in the submissions during his demonstration and definition towards his career. He is an active learner with tremendous problem solving ability. He is one among those who thinks in all possible directions. Whenever he is skeptical about the topic, he clarifies it at that instant which benefits his peers too. Also, at times I would find him helping his batch members.

Apart from his theoretical knowledge Mr. GOPI NAYAK PALATRYA also exhibited his empirical proficiency through his lab work. Also, he participates frequently in various extracurricular activities such as sports, cultural events, etc. Which represents his all-around development. He is an extrovert person who can easily get with the people around, a quality with which he can thrive in any team setup.

I strongly recommend him for higher education in your esteemed university with possible aid and I am sure that he will come up to your expectations and fully justify his selection and wish him all the success and bright future.

LETTER OF RECOMMENDATION

I take immense pleasure to issue this letter of Recommendation for my student Mr. VIVEK MERIPO who is applying for a Master's Program in your College / University. He is under my guidance during his under-graduation course and I have handled the subject 'Electro Mechanics' to him.

I was his class in charge from third semester to fifth semesters both theoretical and practical and during our period of association, I have found him to be diligent and a skilful student who was always eager to learn new things. We have often indulged in after lecture discussions, and I found that he keeps himself abreast with the developments and updates related to not only his field of study and also current affairs and business. We had also discussed about his aspiration or future studies several times. He was always keen to understand the practical application of the concepts taught to him and how they were used in real world.

I believe that Mr. Vivek Meripo has the conviction to achieve his desired goals and be an invaluable asset to any team that he is a part of. Hence, I strongly recommend his application for the master's Program at your esteemed University / College. I wish him the very best in his future endeavours.

Thanking You,

Yours Sincerely,

LETTER OF RECOMMENDATION

I feel very contented recommending Mr. **BASAVA RAJU NADAKUDITI** to your esteemed institution. He had a good relationship with the faculty during his interaction with the department in his undergraduate program. He is extremely meticulous and accomplished a consistent academic record. I taught him "**POWER SYSTEMS AND POWER SYSTEMS ANALYSIS**" courses. I had observed him to be resourceful and good in practical sessions.

His keen interest towards the subject and promptness in the submissions shows his determination and dedication towards his career. He is an active listener with incredible problem-solving ability. He is one among those who thinks in all possible directions. He is very methodical in his work and possesses good analytical skills. Whenever he is skeptical about the topic, he clarifies it at that instant which benefits his peers too. Also, at times I would find him helping his batch members.

Apart from his theoretical knowledge, Mr. **BASAVA RAJU NADAKUDITI** also exhibited his pragmatic proficiency through his lab course work. Also, he participates frequently in various extracurricular activities such as sports, cultural events, etc. which represents his all-round development. He is a gregarious person who can flexibly with the people around, a quality with which he can mingle in any team easily.

Looking as a whole, I see him as a person who possesses all the qualities an individual should have. As your university encourages talent, a student like Mr. **BASAVA RAJU NADAKUDITI** with innate and extrinsic skill set when given a chance, will excel in his work and be an asset to the institution.
