Sub: Ban on single use plastic on DVR & Dr. HS MIC College of Technology campus.

The plastic waste has emerged as one of the biggest environmental concerns adversely impacting the soil water. Health and well-being of citizens at large. The limited waste disposal systems have become a challenge to dispose of plastic waste materials especially the single use plastic.

To reduce the usage of plastic, the University Grants Commission has issued special guidelines to all the higher education institutions to impose ban on single-use plastics on the campus.

Accordingly, it is hereby circulated for information of all concerned that the competent authority of DVR & Dr. HS MIC College of Technology has decided to take following steps to put ban on single use plastic materials on the campus:

1. To ban use of single-use plastics in canteens, campus premises, hostels, etc.
2. To strive to make the campus plastic-free by systematically banning use of plastics and replacing the same with suitable environmentally friendly substitutes.
3. To carry out awareness drives and sensitization workshops on the harmful impacts of single use plastics.
4. To mandate all students/staff members to avoid bringing non-bio-degradable plastic items on the campus.
5. To avoid the use of plastic water bottles, bags and encourage use of alternative solutions like cloth bags, paper bags etc.
6. To keep signboards at various places to give wide publicity to ban on use of plastic/polythene on the campus.
